

# 2008 STEWARDSHIP OF APPORTIONED DOLLARS

## Praise God, from whom all blessings flow;

Blessings flow to us from the heart of God, through the grace of God. Blessings flow at all times, in all places, to all people. Blessings are not stopped by recessions or depressions. In fact, we are perhaps more aware of the presence and power of God in times we call "hard."

Here in the Mississippi Conference we give witness to the powerful and constant presence of God. Blessings flow through preaching and teaching. Blessings flow through classes and circles and teams for learning and loving and serving. Our cup runs over! Blessings overflow to others through the United Methodist witness and generosity.

## Praise God, all creatures here below: Alleluia! Alleluia!

The 600+ clergypersons – retired and active – in the Mississippi Conference give thanks for the generous support of local churches across the connection. Among other things, your gifts to ministerial support provide: an Employee Assistance Program, continuing education opportunities, and invaluable scholarships for candidates and local pastors to pursue their theological education.

Clergy are grateful to be partners with local churches in making disciples of Jesus Christ for the transformation of the world. Those whom God is calling to ordained ministry are walking through doors of opportunity, responding faithfully to God's call because of your generosity.

## Praise God, the source of all our gifts!

Communications is better equipped to share the message of Jesus Christ in the Mississippi Conference and the world, thanks to your gifts. Your contributions have helped expand efforts to reach more people, more young people and more diverse people with the production of webcasts and podcasts on a regular basis. In addition, use of the conference web site has expanded with more features and more news. Your gifts have also made funds available for "Welcoming Grants" administered by the Communications Table, which help local churches fund projects that make them more visible in their communities.

# Praise God, the source of all our gifts!

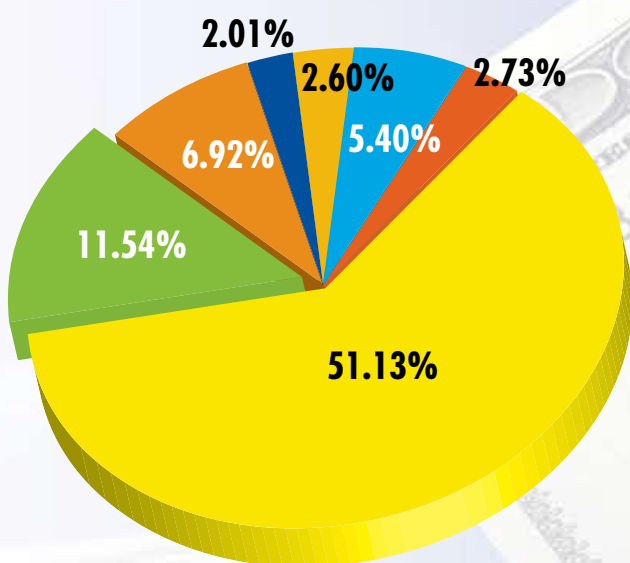

## Praise Jesus Christ, whose power uplifts!

Money conversations often leave us feeling powerless. As stewards in God's economy we find strength in the provision of our God. All of us are given the joyful privilege of leading our congregations toward generous and empowered lives. Our apportionments are a celebration of the power of Jesus Christ through the Body of Christ. When Jesus power is present there is always more than enough. Jesus has the power to take our "fish and loaves" and change us all with His miraculous power. We thank God for the power that moves us from scarcity to abundance!

## Praise the Spirit, Holy Spirit! Alleluia!

Praise to the Holy Spirit and thanks to the local churches of the Mississippi Annual Conference for the creative response of the conference, districts, and local churches toward wellness. In 2008-2009 the conference helped sponsor health events such as the 4th Annual Circuit Bicycle Ride and the 6th Annual Arise! Shine! Run! 5K run/walk. The health and wellness highlight for this year was the receipt of the "Healthy Future Champion" award at the White House Conference on Wellness – October 22, 2008.

Thanks to the local churches of the Annual Conference for starting nine (9) new churches since 2005. Mississippi is blessed that we have Church Planters and Leadership Development schools to train our pastors. We give praises and thanks that the apportionments for small membership and rural churches have provided 9 grants in 2008-2009 to local churches in our annual conference and provided salary support to two church and community workers. Funding for the Rural Church Initiative is well underway. In 2008-2009 revitalization grants have been awarded to 22 churches in our annual conference.

# Alleluia! Alleluia!
